

Ruchill Kelvinside Parish Church

We are a talented and committed community of God's people. We share a genuine Christian commitment to making a positive difference in the lives of one another and of those around us; lives we want to see lived to the full through relationship with God.

I have come that they may have life, and have it to the full (John 10:10).

Childcare

There is Sunday school for children aged 3 – 12. Please bring your child into the back of the hall to sign them in after the children's talk and collect them afterwards.

There is a room at the back of the church if you wish to take your young child, you can still hear the service.

Restored

Restored is a community outreach in the Mac Hall on every Wednesday at 6.30pm. There is always a nice meal, some worship, some testimonies or teachings, Please speak to Michelle, Yerik or Mark for more info.
